Article 5.

Classification at the event and scoring of points

For each class three races will be held. Starting grid for the second race will be defined by the classification in the first race, while the starting grid for the third race will be defined by the classification in the second race. In each race drivers will score points in the following manner:

<i>Place</i>	1.	2.	3.	4.	5.	6.	7.	8.	9.	10.	11.	12.	13.	14.	15.
<i>Points</i>	25	20	16	13	11	10	9	8	7	6	5	4	3	2	1

All scored points will be awarded for the CENTAL EUROPEAN ZONE CHAMPIONSHIP.

If there are more than 34 entered drivers in one class, for that class based on the Qualifying practice drivers will be divided in 3 groups (A, B, C) with max 17 drivers. The division in groups will be made in the following manner: 1st driver will be put in group A, 2nd driver in group B, 3rd driver in group C, 4th driver in group A and so on. The Qualifying heats will then be driven in which the following pairs of groups will compete: AB, AC, BC. Qualifying heats will be shorter than Final races by at least 40%. From Qualifying heats based on point scoring system described in FIA Specific prescriptions Article 18c the ranking will be obtained. First 34 drivers from that ranking will enter the final two races. The ranking of the qualifying heats will substitute one race in the CEZ Championship scoring system.

The classification at the event will be obtained by sum of points from all races, or two final races and qualifying heat ranking. If two drivers have the same number of points the driver who was better in Qualifying will be in front.

For all other championships the points will be awarded with respect to the regulations of these championships.
